LIMITED GUARANTEE

YOU PLANT

Plants sold at retail prices and not installed by Schwarz Nursery carry a one-year, 50% guarantee on the dollar amount of the purchase. Delivery charges are not guaranteed. One replacement only. Sales receipt and dead plant(s) are required for all adjustments. No cash refunds. All adjustments are in the form of a store credit.

WE PLANT

Single plants costing \$250.00 or more carry a two-year, 100% guarantee on the dollar amount of the plant and on the installation. Delivery charges are not guaranteed. Replacements will be made at our earliest possible convenience. One replacement only.

Plants costing less than \$250.00 carry a one-year, 100% guarantee on the dollar amount of the plant only. The installation and delivery charges are not guaranteed. One replacement only.

Replacement plants may be picked up at the Garden Center at your convenience. Sales receipt and dead plant(s) are required for all adjustments. No cash refunds. All adjustments are in the form of a store credit.

All plants \$450 and over **MUST** be planted by Schwarz Nursery or the guarantee is void.

EXCEPTIONS TO ABOVE GUARANTEES

- No guarantee if payment is not received in full within 10 days of completion.
- No guarantee if plants die from theft or vandalism, lack of or poor maintenance or acts of God.
- No guarantee on roses, annuals, perennials, ground covers, vines or plants smaller than 1 gallon pot.
- No guarantee on material planted in containers or planter boxes above ground level.
- Size and availability of replacement plants are not guaranteed.
- Capitata Yews and Hemlock are not guaranteed.

SALES RECEIPT AND DEAD PLANTS ARE REQUIRED FOR ALL ADJUSTMENTS. NO CASH REFUNDS.

DUE TO THE PERISHABILITY OF OUR PRODUCT, ALL SALES ARE FINAL. PLANT MATERIALS ARE NOT RETURNABLE. PLEASE MAKE YOUR SELECTIONS WITH CARE.

SCHWARZ NURSERY IS A MEMBER OF:

- Illinois Arborists' Association
- Illinois Landscape Contractors' Association

WELCOME TO SCHWARZ NURSERY!

OUR MISSION

Our mission is to be recognized by our customers for having both the highest quality products and services available.

For all whom we do business with, we will adhere to the highest standards of business conduct.

Advantages of buying from Schwarz:

- Trained Horticulturists.** Our educated, expert staff includes a certified arborist and several Illinois Certified Nursery Professionals.
- Landscape Architect and Designers.** We can meet all your landscape design requirements.
- Professional Gardening Advice.** Sign up to receive our email newsletter that contains gardening tips and advice as well as information on any sales or events we have during the year.
- Perennial Garden Club.** For a nominal yearly membership charge, perennial plant customers receive exclusive discount purchase bonuses and special mailings. Ask our garden center sales staff for full details.

SHADE TREES

- ASPEN, QUAKING** □
Populus tremuloides
H: 50-60' S: 30' Rate: F
 The small green leaves tremble in a slight breeze for a beautiful effect. Found in moist, shallow, rocky or clay soils. Leaves turn yellow in fall.
 2 1/2" 495.00
- BALDCYPRESS, COMMON** □
Taxodium distichum
H: 50-60' S: 20-30' Rate: M
 Deep sage green foliage on this deciduous evergreen. Cinnamon exfoliating bark. Water tolerant.
 2 1/2" - 3" 595.00
- BALDCYPRESS, Dwarf Peve Minaret** □☒
Taxodium distichum 'Peve Minaret'
H: 10' S: 6' Rate: S
 A deciduous conifer. Rich green foliage turns red-brown in fall. Needs water in hot summer months.
 #7 3-4' 150.00
- BEECH,**
Fagus
- PURPLE FOUNTAIN** □☒
H: 12' S: 3-5' Rate: S
 Loose, cascading branches of purple foliage. Grows in a narrow, upright habit - great for tight spaces.
- RIVERSII PURPLE** □
H: 50-60' S: 35-45' Rate: S
 A stately tree with deep purple leaves and silver bark.
- TRICOLOR** □☒
H: 20-30' S: 15-20' Rate: S
 A striking tree with purple leaves and irregular cream and rose borders. Color maintained best in part shade.
 Limited sizes & quantities available
- CATALPA, NORTHERN** □
Catalpa speciosa
H: 50' S: 35' Rate: F
 A fast growing native with large, heart-shaped green leaves, turning yellow in fall. Large, showy white flowers in summer. Adapts to difficult conditions, including wet or dry. Long seed pods produced.
 2" - 2 1/2" 395.00
- CATALPA, PURPLE** □
Catalpa x erubescens 'Purpurea'
H: 45' S: 40' Rate: M-F
 Leaves are deep purple in spring, changing to bronze-green in summer. Large white flowers spotted with yellow and purple. Long, slender seed pods produced.
 2 1/2" 495.00
- COFFEETREE, ESPRESSO KENTUCKY** □
Gymnocladus dioicus 'Espresso'
H: 50' S: 35' Rate: S-M
 Seedless variety with doubly compound leaves give this tree a tropical feel. Bluish-green leaves turn yellow in fall. Heat and drought tolerant.
 2" 495.00
 3 1/2" 795.00

SHADE TREES

GINKGO

H: 40-50' S: 35-50' Rate: S

Unique, fan-shaped leaves turn golden yellow in fall. This upright, non-fruiting strain becomes broad with age.

1 3/4" - 2" 495.00

HONEYLOCUST, SKYLINE

Gleditsia tricanthos 'Skycole'

H: 40-50' S: 35-40' Rate: F

This rapid-growing, thornless, seedless tree is ideal where filtered shade is desired. Bright yellow fall color.

Adaptable to most soils.

2" 395.00

2 1/2" 495.00

3" 635.00

HORSECHESTNUT, RED

Aesculus x carnea 'Fort McNair'

H: 25-30' S: 30' Rate: S-M

In May, the showy dark pink flowers that are produced are 6-8".

#25 (22.8 gal, 104.4L) 425.00

LINDEN, AMERICAN SENTRY

Tilia americana 'McKSentry'

H: 40' S: 25-30' Rate: S-M

Good choice for smaller areas, upright habit. Yellow fall color. The most resistant Linden to Japanese Beetle.

2" 395.00

LINDEN, GREENSPIRE LITTLELEAF

Tilia cordata 'Greenspire'

H: 30-40' S: 30-35' Rate: S-M

Symmetrical branching with a narrow, pyramidal to oval form. Dark green leaves turn a nice yellow in fall.

2 1/2" 535.00

MAPLE, AUTUMN BLAZE

Acer x freemanii 'Jeffersred'

H: 50-60' S: 40' Rate: M-F

Hybrid of Silver & Red Maple. This is a fast-growing Maple that is drought tolerant and will grow in most soils. Fall color is yellow to orange-red.

1 1/2" - 2" 395.00

2 1/4" - 2 1/2" 535.00

3" 635.00

3 1/2" 795.00

MAPLE, CELEBRATION

Acer x freemanii 'Celzam'

H: 50' S: 35' Rate: M-F

Deeply cut green leaves turn yellow to orange in fall. Strong branching resists storm damage. Tolerant of most soils. Essentially seedless.

3" 635.00

SHADE TREES

MAPLE, CRIMSON KING □

Acer platanoides 'Crimson King'

H: 30-40' S: 35' Rate: S

Popular, slow-growing tree with deep red-maroon leaves through the growing season. Intolerant of wet soils.

1 3/4" - 2" 450.00

MAPLE, CRIMSON SUNSET □

Acer truncatum x A. platanoides

H: 35' S: 25' Rate: S

Upright oval habit. Deep purple/red foliage turns maroon to reddish bronze in fall. Does well in summer heat.

2" 450.00

MAPLE, MARMO □

Acer x freemanii 'Marmo'

H: 70' S: 35' Rate: M

A selection from the Morton Arboretum. Uniform upright habit. Fall color is mottled red and green to burgundy and yellow. Adapts to heavy clay soil.

2 1/2" 535.00

3" 635.00

MAPLE, REDPOINTE □

Acer rubrum 'Frank Jr.'

H: 45' S: 35' Rate: M ◆

Upright, broadly pyramidal form. Strong dominant leader.

This fast growing variety has beautiful red fall color.

2" 395.00

2 1/2" 535.00

3" 635.00

3 1/2" 795.00

4" 975.00

MAPLE, STATE STREET □

Acer miyabei 'Morton'

H: 45-50' S: 25-35' Rate: S-M

A Morton Arboretum introduction. A smaller growing maple that is tolerant of heat, drought, salt and pollution.

Fall color is yellow.

2 1/2" 535.00

MAPLE, SUGAR □

Acer saccharum

H: 50' S: 35-40' Rate: S-M

This stately maple has brilliant hues of yellow and orange in fall. Slow-growing and long-lived.

2" 395.00

2 1/2" 535.00

MAPLE, SUN VALLEY □

Acer rubrum 'Sun Valley'

H: 40' S: 35' Rate: S-M

A **seedless** variety that is a hybrid between Red Sunset and Autumn Flame maple. Glows in fall with reliable bright red color.

2 1/2" 535.00

3" 635.00

SHADE TREES

OAK, BUR

Quercus macrocarpa

H: 55-75' S: 55-75' Rate: M

Beautiful oak with attractive, corky bark. Dark green leaves turn yellow to yellow-brown in fall.

2 1/2" 550.00

OAK, RED

Quercus rubra

H: 60' S: 45' Rate: M

Beautiful rounded form. Large, glossy green leaves turn maroon-red in fall.

2" 450.00

2 1/2" 550.00

3" 695.00

OAK, REGAL PRINCE

Quercus robur x bicolor

H: 45' S: 20' Rate: S

Vigorous, upright oval oak that develops a strong central leader. Dark green leaves turn yellow in fall. Limited quantities

OAK, SWAMP WHITE

Quercus bicolor

H: 45' S: 45' Rate: S-M

An excellent tree for wet areas that also does well in dry soils. Fall color can vary from yellow to red.

2 1/2" 550.00

3" 695.00

PLANETREE, EXCLAMATION! LONDON

Platanus x acerifolia 'Morton Circle'

H: 55' S: 35' Rate: M-F

Densely branched, uniform tree with strong central leader. Large green leaves turn yellow/brown in fall. Attractive, exfoliating bark, mottled brown, green and tan. Fast grower when young, up to 3' per year. Tolerant of poor soils, pollution and drought.

2 1/2" 535.00

3" 635.00

REDWOOD, DAWN

Metasequoia glyptostroboides

H: 70' S: 25' Rate: F

A fast grower, similar to Baldcypress. Bright green needles turn rusty orange in fall. Deciduous tree with upright conical habit. Tolerant of wet, clay soils.

2 1/2" 595.00

TULIP TREE

Liriodendron tulipifera

H: 60' S: 30' Rate: F

Fast growing native tree with tulip-shaped yellow-green flowers in early summer. Yellow fall color. Likes a moist well drained soil. Rarely fed on by Japanese Beetle.

2 1/2" 535.00

3" 635.00

ORNAMENTAL TREES

AMELANCHIER (Autumn Brilliance Serviceberry) ■

H: 20-25' S: 15' Rate: M

Showy white flowers in early spring and beautiful red to orange fall color. Attractive black striations on mature bark add year round interest. Edible fruit.

5' - 6'	300.00
6' - 7'	395.00
7' - 8'	500.00
8'-10'	595.00
2" - 2 1/2"	475.00

AMELANCHIER (Spring Flurry Serviceberry) ■

H: 35' S: 20' Rate: M

Pure white blooms in spring on this tree form serviceberry. Edible blue fruit in summer. Great orange/red fall color. Habit is upright, oval with a dominant leader.

2" - 2 1/2"	475.00
-------------	--------

BIRCH, DAKOTA PINNACLE ◆

H: 35' S: 10' Rate: M

A new introduction with white bark, columnar spire-like habit. Dark green leaves turn yellow in fall. Adaptable to both dry and moist locations. Tolerant of pollution. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

2"	450.00
----	--------

BIRCH, RIVER ◆

H: 30-40' S: 30' Rate: M-F

Beautiful, peeling, cinnamon-brown bark. Tolerant of wet soils and resistant to Bronze Birch Borer. Multi-stemmed specimens. Ask for our Birch Tree Care handout. Always keep a 2-3" layer of mulch on root system.

SPRING DUG ONLY.

#15 (12.4gal,46.78L)	175.00
6' - 8'	295.00
8'- 10'	350.00
10'- 12'	500.00

BIRCH, ROYAL FROST ◆

H: 40' S: 25' Rate: S-M

Purple bronze leaves turn yellow-orange to reddish in fall. Leaves contrast nicely with the white bark. Resistant to Japanese Beetle. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

10'	400.00
-----	--------

BIRCH, WHITESPIRE ◆

H: 30-40' S: 25' Rate: M-F

Attractive white bark with graceful branching. This variety is less susceptible to Bronze Birch Borer. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

8'	450.00
----	--------

CHERRY, WEEPING SNOW FOUNTAINS □

H: 10-15' S: 12' Rate: S-M

Dwarf weeping cherry with long, pendulous branches covered with white flowers in spring. Fragrant. Spray treatment may help prevent borer problems. Ask for our informational handout.

2"	495.00
----	--------

ORNAMENTAL TREES

MAGNOLIA, SUNSATON □

H: 20-25' S: 20-25' Rate: S ◆
 Large yellow flowers with a pink blush at the base.
 May repeat bloom in summer.
 #15 (12.4gal,46.78L) 225.00

ORNAMENTAL TREES

MAPLE, JAPANESE varieties ☐☒■

This small specimen tree requires well-drained soil and a location that is protected from direct wind. Availability best in spring season.

Specimens are individually priced

Japanese Maple Descriptions

Bloodgood ☐☒

H: 12-15' S: 12-15'

Upright tree with red leaves that turn brilliant scarlet in fall. Retains color well in summer heat. Best in filtered sun.

Crimson Prince ☐☒

H: 15' S: 10-15'

Similar to Bloodgood with deeper red foliage.

Crimson Queen ☐☒

H: 5-10' S: 5-10'

A laceleaf type with crimson-red color that persists in summer, turning scarlet in fall. Cascading branches.

Emperor I ☐☒

H: 8-10' S: 10-12'

Dark red leaves turn scarlet in fall. Dark red-brown bark.

Fireglow ☐☒

H: 6-10' S: 10'

Deep red leaves turn crimson in fall. Habit similar to Bloodgood but smaller in size. Upright.

Sango Kaku— Coral Bark ☐☒

H: 15-25' S: 15-20'

Brilliant red-coral bark on branches with color that intensifies in winter. Deeply cut, pale green leaves with red margins. Turns yellow in fall.

Sherwood Flame ☐☒

H: 15' S: 12'

Red leaves in spring turn reddish-green in summer. Fall color is cherry red. Silver striations on the bark.

Tamukeyama

H: 8-10' S: 10-12'

New foliage is crimson-red changing to bright scarlet. ☐☒

ORNAMENTAL TREES

- MAPLE, NORTHWIND KOREAN** ☐☒
Acer pseudosieboldianum 'North Wind'
H: 15-20' S: 15-20' Rate: S
 A great substitute for Japanese maple in colder climates. Leaves emerge red in spring, turn light green for summer, and orange-scarlet in fall. Tolerant of winds.
 #6 (5.02 gal, 19L) 175.00
 #15 (12.4gal,46.78L) 425.00
- MAPLE, PAPERBARK** ☐☒
Acer griseum
H: 20-35' S: 15-20' Rate: S
 Beautiful orange-red color late in the fall. As the name implies, bark exfoliates attractively adding to the year-round interest.
 Specimens individually priced.
- MULBERRY, WEEPING**
Morus alba "Chaparral" ☐
H: 10-15' S: 10-12' Rate: S
 A fruitless mulberry with glossy green leaves on branches that cascade. Yellow fall color.
 #10 (9.0 gal, 34L) 175.00
- PEAR, CHANTICLEER** ☐
H: 20-30' S: 15' Rate: M
 White flowers in early spring followed by lustrous green foliage. Outstanding apricot to orange-red or purple fall color. Small fruits are produced. Very upright habit.
 1 1/2" - 2" 325.00
 2 1/2" 475.00
 3" 595.00
- PLUM, NEWPORT** ☐☒
H: 20' S: 20' Rate: M
 Pale pink to white flowers in spring. Red leaves all summer long. Must be treated to prevent borers.
 #25 (22.8 gal, 104.4L) 325.00

ORNAMENTAL SHRUBS

CHOKEBERRY, BLACK

H: 3-5' S: 3-5' Rate: M

White flowers in May. Glossy red fall color and black fruit in winter. Tolerant of wet, shady areas.

#5 (3.6gal, 13.74L) & #3 (2.7 gal, 10.21L) 45.00

CHOKEBERRY, LOW SCAPE HEDGER

H: 3-5' S: 2-3' Rate: S-M

Dense, glossy green leaves turn red and orange in fall. White flowers in spring. Can be in wet or dry soil. Makes a nice hedge. Non-suckering. Drought and salt tolerant.

#3 (2.7gal, 10.21L) 45.00

CHOKEBERRY, LOW SCAPE MOUND

H: 18-24" S: 18-24" Rate: S

Dwarf variety with white flowers in spring. Glossy green leaves turn red in fall. Fruit is black. Forms a nice mound.

#3 (2.7gal, 10.21L) 45.00

CHOKEBERRY, RED

H: 6-10' S: 4-6' Rate: M

White flowers in spring. Excellent red fall color and red fruit in winter.

#5 (3.6gal, 13.74L) & #3 (2.7 gal, 10.21L) 45.00

CLETHRA, RUBY SPICE

H: 3-6' S: 3-4' Rate: S

Bright pink flowers in midsummer that hold their color. Nice yellow fall color on leaves. Likes a moist soil.

#3 (2.7gal, 10.21L) 45.00

CLETHRA, SIXTEEN CANDLES

H: 2-3' S: 3' Rate: S

More compact size. Erect candle-like white flowers. Yellow fall color.

#3 (2.7gal, 10.21L) 45.00

COTONEASTER, CRANBERRY

H: 2-3' S: 3-5' Rate: M

Excellent spreading shrub. Glossy green leaves, bright red berries in fall. A nice plant for rock gardens.

#2 (1.6gal, 6.19L) 30.00

COTONEASTER, HESSEI

H: 18-24" S: 4' Rate: S

Spreading plant with small, dark, glossy green leaves and red fruit. Good for rock gardens.

#2 (1.6gal, 6.19L) 30.00

ORNAMENTAL SHRUBS

COTONEASTER, PEKING

☐☒

H: 8-10' S: 6-8' Rate: M

Pinkish-white flowers in early spring followed by glossy green leaves. An upright grower, excellent for hedging at 4-6' and in shrub borders. Red to yellow fall colors.

#5 (3.6gal, 13.74L) 45.00

4' 55.00

CURRANT, ALPINE EUROPA

☐☒■

H: 4-6' S: 4-6' Rate: M

Excellent dense plant for low hedges. Glossy green leaves emerge very early in spring. Yellow fall color.

#5 (3.6 gal, 13.34L) 45.00

CURRANT, ALPINE (Green Mound)

☐☒■

Ribes alpinum 'Green Mound'

H: 2-3' S: 2-3' Rate: M

Dwarf variety with dense, mounding habit. Useful in a large grouping or as a very low hedge.

#5 (4.2gal, 15.8L) 45.00

DEUTZIA, YUKI CHERRY BLOSSOM

☐☒

H: 1-2' S: 1-2' Rate: M

A low spreading habit, loaded with pink flowers in Spring. Leaves turn burgundy-purple in fall. Prune after flowering if needed.

#2 (1.6gal, 6.19L) 37.00

#3 (2.8gal, 10.44L) 45.00

DIERVILLA, KODIAK BLACK

☐☒■

H: 3-4' S: 3-4' Rate: M

Dark burgundy-black foliage, especially intense in spring and fall. Bright yellow flowers in summer. Drought tolerant. Deer resistant. Attracts butterflies and hummingbirds.

#3 (2.8gal, 10.44L) 45.00

DIERVILLA, KODIAK ORANGE

☐☒■

H: 3-4' S: 3-4' Rate: M

New growth is orange, changing to green, and back to bright orange in fall. Yellow flowers in summer. A durable plant, not invasive, tolerant of most soils. Deer resistant. Also does well in dry shade. Attracts butterflies and hummingbirds.

#3 (2.8gal, 10.44L) 45.00

DIERVILLA, KODIAK RED

☐☒■

H: 3-4' S: 3-4' Rate: M

New growth is burgundy, changing to green with a red edge in summer, and vivid red in fall. Yellow flowers in summer. A durable plant, not invasive, tolerant of most soils. Deer resistant. Also does well in dry shade. Attracts butterflies and hummingbirds.

#3 (2.8gal, 10.44L) 45.00

ORNAMENTAL SHRUBS

- DOGWOOD, ARTIC FIRE** ☐☒
H: 3-4' S: 3-4' Rate: M
 A dwarf variety of Redtwig with bright red stems in winter. Green leaves in summer.
 #3 (2.8gal, 10.44L) 49.00
- DOGWOOD, ARTIC SUN** ☐☒
H: 3-4' S: 3-4' Rate: M
 A dwarf variety of Redtwig with gold stems tipped with red. Green leaves in summer.

Beautiful white flowers in spring on gracefully arching
branches. Allow sufficient space for specimens.

ALL SPIREA VARIETIES \$40.00

ORNAMENTAL SHRUBS

- SUMAC, GRO-LOW** ☐☒
H: 3' S: 4-5' Rate: S-M
 Wide-spreading shrub. Excellent glossy green foliage.
 Nice red and orange fall color.
 #2 (1.6gal, 6.19L) 35.00
 #5 (4.49gal, 17L) 45.00
- SUMAC, PRAIRIE FLAME** ☐☒
H: 5-7' S: 3-4' Rate: S-M
 A non-fruiting variety with glossy green leaves that turn
 bright scarlet red in fall. Deer resistant. Drought tolerant.
 #5 (4.49gal, 17L) 55.00
- SUMAC, TIGER EYE** ☐
H: 6' S: 6' Rate: M
 Golden-leaved form of Cutleaf Staghorn Sumac. Leaves
 are chartreuse green in spring changing to yellow. Fall
 color is yellow, orange and scarlet.
 #5 (4.49gal, 17L) 65.00
- SWEETSPIRE, LITTLE HENRY** ☐☒
Itea virginica 'Sprich'
H: 2-3' S: 3' Rate: M
 Fragrant white flower spikes in summer give way to
 beautiful red-purple fall color. Low-mounding form. Not
 guaranteed.
 #3 (2.7gal, 10.21L) 44.98
- TAMARIX, PINK CASCADE** ☐
H: 10-15' S: 10' Rate: M-F
 Vigorous, open shrub with fine-textured, feathery foliage
 that turns apricot in fall. Masses of deep pink flowers
 resembling ostrich plumes in summer. Cut back in winter.
 #3 (2.7gal, 10.21L) 45.00
- VIBURNUM, AMER. CRANBERRYBUSH REDWING**
Viburnum trilobum 'J N Select'
H: 8-12' S: 10-12' Rate: M-F ☐☒
 White flowers. New growth is red, leaves are green in
 summer and turn a nice red fall color.
 #5 (3.6gal, 13.74L) 55.00
- VIBURNUM, ARROWWOOD** ☐☒
AUTUMN JAZZ
Viburnum dentatum 'Ralph Senior'
H: 10-12' S: 8-10' Rate: M-F
 Outstanding plant to form a wide, dense screen. White
 flowers in May-June, blue-black fruit. Fall colors from
 yellow, orange and red to burgundy.
 #5 (3.6gal, 13.74L) 50.00
 4' 59.00
 5' 69.00

ORNAMENTAL SHRUBS

VIBURNUM, ARROWWOOD ☐☒
BLUE MUFFIN

Viburnum dentatum 'Christom'

H: 5-7' S: 4-6' Rate: M

A new compact form of Arrowwood. White flowers in spring are followed by clusters of rich blue berries.

Adaptable to most soil types. Yellow fall color.

#5 (4.49gal, 17L) 50.00

VIBURNUM, ARROWWOOD ☐☒
CHICAGO LUSTRE

Viburnum dentatum 'Synnestevedt'

H: 8-12' S: 8-12' Rate: M-F

Glossy dark green foliage. Creamy white flowers.

Yellow fall color.

#5 (4.49gal, 17L) 50.00

VIBURNUM, ARROWWOOD ☐☒
RED FEATHER

Viburnum dentatum 'Red Feather

H: 8-10' S: 8-10' Rate: M-F

New growth is red, changing to green in summer. Fall color is maroon. White flowers followed by blue fruit.

4' 79.00

VIBURNUM, BLACKHAW ☐☒
Viburnum prunifolium

H: 12-15' S: 8-12' Rate: S-M

Glossy green leaves turn dark red in fall. Horizontal branching gives an excellent winter effect. Suitable as a small specimen tree.

#5 (4.49gal, 17L) 45.00

6' 350.00

VIBURNUM, BRACTED ☐☒
"ALL THAT GLITTERS" & "ALL THAT GLOWS"

Viburnum bracteatum

H: 4-5' S: 4-5' Rate: M

Both varieties have glossy leaves with white flowers in spring followed by blue fruit. It is recommended to have one of each for best fruit set. Available in summer.

#5 (4.49gal, 17L) 55.00

VIBURNUM, BURKWOOD ☐☒
Viburnum x burkwoodii

H: 6-8' S: 6-8' Rate: S-M

White fragrant flowers, lustrous dark green leaves.

Semi evergreen.

#5 (4.49gal, 17L) 50.00

VIBURNUM, CARDINAL CANDY ☐☒
Viburnum dilatatum 'Henneke'

H: 6' S: 5' Rate: M-F

White flowers in spring. Heavy producer of shiny, scarlet red fruit. Need more than one plant for fruit.

#7 (6.8gal, 025.9L) 69.00

ORNAMENTAL SHRUBS

VIBURNUM, JUDDI ☐☒

Viburnum carlesii x bitchiuense

H: 6-8' S: 6-8' Rate: S-M

This Viburnum is valued for the highly fragrant white flowers in spring. Truly outstanding fragrance.

#5 (3.6gal, 13.74L)	60.00
2'	79.00
2 1/2'	95.00
3'	125.00

VIBURNUM, KOREANSPICE ☐☒

Viburnum carlesii

H: 5-6' S: 5-6' Rate: S

The large white flowers are highly valued for their fragrance in spring. Truly remarkable.

2' Limited Quantities	79.00
2 1/2'	95.00

VIBURNUM, KOREANSPICE COMPACT ☐☒

Viburnum carlesii 'Compactum'

H: 3' S: 3' Rate: S

A compact form with fragrant white flowers in spring. 18"-24"

2 1/2'	135.00
--------	--------

VIBURNUM, LIL' DITTY ☐☒

Viburnum cassinoides 'Lil Ditty'

H: 1-2' S: 1-2' Rate: M

Creamy, fragrant flowers. Fruit changes from green to red to blue/black. Tolerant of wet soils.

#5 (4.49gal, 17L)	50.00
-------------------	-------

VIBURNUM, MARESII ☐☒

V. plicatum var. tomentosum 'Maresii'

H: 6' S: 10-12' Rate: S-M

White flowers in spring combine nicely with the leathery foliage. The horizontal branching on this rounded shrub creates interest in the winter garden.

Limited Quantity

VIBURNUM, MOHICAN ☐☒

Viburnum lantana 'Mohican'

H: 6-8' S: 6-8' Rate: M

Leathery, gray-green leaves with long-lasting purplish fall color. White flowers and black berries produced.

#5 (4.49gal, 17L)	53.00
4'	75.00

ORNAMENTAL SHRUBS

VIBURNUM, SNOWBALL

V. opulus 'Sterile'

H: 10-12' S: 10-12' Rate: M

Large, double white flowers in spring resemble snow balls. Fruitless.

#5 (3.6gal, 13.74L) 49.00

VIBURNUM, SPICE BABY

V. carlesii 'Spice Baby'

H: 4-5' S: 4-5' Rate: S-M

Fragrant white flowers on this compact Koreanspice.

#3 (2.7gal, 10.21L) 50.00

WEIGELA, DARK HORSE

H: 3' S: 3' Rate: M

Pink flowers stand out against dark foliage. The leaves are bronze with lime green venation providing a high contrast when not in bloom.

#3 (2.7gal, 10.21L) 45.00

WEIGELA, MY MONET

H: 12-15" S: 15" Rate: S

A dwarf variety with variegated leaves, reddish-pink flowers.

#2 (1.6gal, 6.19L) 40.00

WEIGELA, SONIC BLOOM PINK

H: 4-5' S: 4-5' Rate: S

Green leaves with hot pink blooms that start in May and continue in waves until frost. Deer resistant. Attracts Hummingbirds.

#5 (3.6gal, 13.74L) & #3 (2.7gal, 10.21L) 55.00

WEIGELA, SONIC BLOOM RED

H: 4-5' S: 4-5' Rate: S

Green leaves with Red blooms that start in May and continue in waves until frost. Attracts Hummingbirds.

EUONYMUS, SARCOXIE ☐☒■

H: 3-4' *S:* 4-5' *Rate:* S ◆

Upright habit with bright green leaves. Will grow up to 4' or can be trimmed to form a low hedge. Will also climb on masonry or wood.

#5 (4.2gal, 15.8L) 43.00

EUONYMUS, VEGETUS ☐☒■

H: 3-4' *S:* 3-4' *Rate:* S ◆

Thick, glossy green leaves with orange berries in fall. Can be trimmed low or allowed to climb on walls, trees or fences. Prefers shade but will tolerate sun. Can be maintained at 18".

#5 (4.2gal, 15.8L) 43.00

BROADLEAF EVERGREENS

HOLLY, ROYAL FAMILY, WILL & KATE ☐☒

H: 3-4' *S:* 3-4' *Rate:* S-M ◆

Blue Princess and Blue Prince Holly planted together in the same pot for self-pollinating. Dark, lustrous green leaves on purple stems with abundant red berries in fall through winter. Needs protection from winter winds.

#3 (2.7gal, 10.21L) 52.00

INKBERRY, DWARF ☐☒

H: 2-3' *S:* 2-3' *Rate:* M ◆

Compact, dense evergreen with handsome, dark green, glossy leaves. Performs well in moist soils.

#3 (2.7gal, 10.21L) 47.00

RHODODENDRON, P.J.M. ☐☒■

H: 3-4' *S:* 3-4' *Rate:* M ◆

Small, lavender flowers completely cover the plant in spring. The small leaves are dark green in summer turning plum-purple in fall and winter. Tolerant of open, exposed locations as long as the soil is acidic and well-drained.

#5 (4.2gal, 15.8L) 75.00

RHODODENDRON, P.J.M. ELITE ☐☒■

H: 3-4' *S:* 3-4' *Rate:* M ◆

Lavender-pink flowers in spring on a compact growing plant. Leaves turn bronze-red in fall and winter. Needs a well drained soil.

#3 (2.7gal, 10.21L) 75.00

RHODODENDRON, P.J.M. LANDMARK ☐☒■

H: 4-5' *S:* 3-4' *Rate:* M ◆

Dark pink flowers in spring on a compact growing plant. Leaves turn bronze-red in fall and winter. Needs a well drained soil.

#3 (2.7gal, 10.21L) 75.00

Perennial Garden club Join today

Become a member of our Perennial Garden Club. The membership fee is only \$10. You receive a member card and packet of useful information. Members receive a 10% discount on all perennials, grasses, vines and groundcovers that they purchase for this year. Your discount is in addition to any sales promotions that we may be offering on perennials at the time of your visit.

NOTES

SCHWARZ NURSERY PLANTING CHARGES

Fees for plant installation are as follows:

60% of the cost of each plant
for all plants under \$175.00

30% of the cost of each plant
for all plants \$175.00 or more

This is a **per plant** charge.
Add **delivery charge** for your area.

ADDITIONAL LABOR CHARGE of

\$100.00 per 1/2 hour for a 3-man crew

will apply for excess root removal, stump removal
or difficult site access. Additional delivery and
labor charges will apply if Schwarz is not able to
plant due to incomplete third party stump removal.
We will only haul away material we remove..

All plants priced \$450 and over **MUST** be planted
by Schwarz Nursery or the guarantee is void.
