WELCOME TO SCHWARZ NURSERY!

OUR MISSION

Our mission is to be recognized by our customers for having both the highest quality products and services available.

For all whom we do business with, we will adhere to the highest standards of business conduct.

Advantages of buying from Schwarz:

- Trained Horticulturists.** Our educated, expert staff includes a certified arborist and several Illinois Certified Nursery Professionals.
- Landscape Architect and Designers.** We can meet all your landscape design requirements.
- Professional Gardening Advice.** Sign up to receive our email newsletter that contains gardening tips and advice as well as information on any sales or events we have during the year.
- Perennial Garden Club.** For a nominal yearly membership charge, perennial plant customers receive exclusive discount purchase bonuses and special mailings. Ask our garden center sales staff for full details.

SHADE TREES

- ASPEN, QUAKING** □
Populus tremuloides
H: 50-60' S: 30' Rate: F
 The small green leaves tremble in a slight breeze for a beautiful effect. Found in moist, shallow, rocky or clay soils. Leaves turn yellow in fall.
 2 1/2" 495.00
- BALDCYPRESS, COMMON** □
Taxodium distichum
H: 50-60' S: 20-30' Rate: M
 Deep sage green foliage on this deciduous evergreen. Cinnamon exfoliating bark. Water tolerant.
 2 1/2" - 3" 595.00
- BALDCYPRESS, Dwarf Peve Minaret** □☒
Taxodium distichum 'Peve Minaret'
H: 10' S: 6' Rate: S
 A deciduous conifer. Rich green foliage turns red-brown in fall. Needs water in hot summer months.
 #7 3-4' 150.00
- BEECH,**
Fagus
- PURPLE FOUNTAIN** □☒
H: 12' S: 3-5' Rate: S
 Loose, cascading branches of purple foliage. Grows in a narrow, upright habit - great for tight spaces.
- RIVERSII PURPLE** □
H: 50-60' S: 35-45' Rate: S
 A stately tree with deep purple leaves and silver bark.
- TRICOLOR** □☒
H: 20-30' S: 15-20' Rate: S
 A striking tree with purple leaves and irregular cream and rose borders. Color maintained best in part shade.
 Limited sizes & quantities available
- CATALPA, NORTHERN** □
Catalpa speciosa
H: 50' S: 35' Rate: F
 A fast growing native with large, heart-shaped green leaves, turning yellow in fall. Large, showy white flowers in summer. Adapts to difficult conditions, including wet or dry. Long seed pods produced.
 2" - 2 1/2" 395.00
- CATALPA, PURPLE** □
Catalpa x erubescens 'Purpurea'
H: 45' S: 40' Rate: M-F
 Leaves are deep purple in spring, changing to bronze-green in summer. Large white flowers spotted with yellow and purple. Long, slender seed pods produced.
 2 1/2" 495.00
- COFFEETREE, ESPRESSO KENTUCKY** □
Gymnocladus dioicus 'Espresso'
H: 50' S: 35' Rate: S-M
 Seedless variety with doubly compound leaves give this tree a tropical feel. Bluish-green leaves turn yellow in fall. Heat and drought tolerant.
 2" 495.00
 3 1/2" 795.00

SHADE TREES

GINKGO

H: 40-50' S: 35-50' Rate: S

Unique, fan-shaped leaves turn golden yellow in fall. This upright, non-fruiting strain becomes broad with age.

1 3/4" -2" 495.00

HONEYLOCUST, SKYLINE

Gleditsia tricanthos 'Skycole'

H: 40-50' S: 35-40' Rate: F

This rapid-growing, thornless, seedless tree is ideal where filtered shade is desired. Bright yellow fall color.

Adaptable to most soils.

2" 395.00

2 1/2" 495.00

3" 635.00

HORSECHESTNUT, RED

Aesculus x carnea 'Fort McNair'

H: 25-30' S: 30' Rate: S-M

In May, the showy dark pink flowers that are produced are 6-8".

#25 (22.8 gal, 104.4L) 425.00

LINDEN, AMERICAN SENTRY

Tilia americana 'McKSentry'

H: 40' S: 25-30' Rate: S-M

Good choice for smaller areas, upright habit. Yellow fall color. The most resistant Linden to Japanese Beetle.

2" 395.00

LINDEN, GREENSPIRE LITTLELEAF

Tilia cordata 'Greenspire'

H: 30-40' S: 30-35' Rate: S-M

Symmetrical branching with a narrow, pyramidal to oval form. Dark green leaves turn a nice yellow in fall.

2 1/2" 535.00

MAPLE, AUTUMN BLAZE

Acer x freemanii 'Jeffersred'

H: 50-60' S: 40' Rate: M-F

Hybrid of Silver & Red Maple. This is a fast-growing Maple that is drought tolerant and will grow in most soils. Fall color is yellow to orange-red.

#15 (12.4gal,46.78L) 185.00

1 1/2" - 2" 395.00

2 1/4" - 2 1/2" 535.00

3" 635.00

3 1/2" 795.00

MAPLE, CELEBRATION

Acer x freemanii 'Celzam'

H: 50' S: 35' Rate: M-F

Deeply cut green leaves turn yellow to orange in fall. Strong branching resists storm damage. Tolerant of most soils. Essentially seedless.

2 1/2" 535.00

3" 635.00

SHADE TREES

- MAPLE, CRIMSON KING** □
Acer platanoides 'Crimson King'
 H: 30-40' S: 35' Rate: S
 Popular, slow-growing tree with deep red-maroon leaves through the growing season. Intolerant of wet soils.
 1 3/4" - 2" 450.00
- MAPLE, CRIMSON SUNSET** □
Acer truncatum x A. platanoides
 H: 35' S: 25' Rate: S
 Upright oval habit. Deep purple/red foliage turns maroon to reddish bronze in fall. Does well in summer heat.
 2" 450.00
- MAPLE, MARMO** □
Acer x freemanii 'Marmo'
 H: 70' S: 35' Rate: M
 A selection from the Morton Arboretum. Uniform upright habit. Fall color is mottled red and green to burgundy and yellow. Adapts to heavy clay soil.
 2 1/2" 535.00
 3" 635.00
- MAPLE, REDPOINTE** □
Acer rubrum 'Frank Jr.'
 H: 45' S: 35' Rate: M ◆
 Upright, broadly pyramidal form. Strong dominant leader. This fast growing variety has beautiful red fall color.
 2" 395.00
 2 1/2" 535.00
 3" 635.00
 3 1/2" 795.00
- MAPLE, STATE STREET** □
Acer miyabei 'Morton'
 H: 45-50' S: 25-35' Rate: S-M
 A Morton Arboretum introduction. A smaller growing maple that is tolerant of heat, drought, salt and pollution. Fall color is yellow.
 2 1/2" 535.00
- MAPLE, SUGAR** □
Acer saccharum
 H: 50' S: 35-40' Rate: S-M
 This stately maple has brilliant hues of yellow and orange in fall. Slow-growing and long-lived.
 2" 395.00
 2 1/2" 535.00
- MAPLE, SUN VALLEY** □
Acer rubrum 'Sun Valley'
 H: 40' S: 35' Rate: S-M
 A **seedless** variety that is a hybrid between Red Sunset and Autumn Flame maple. Glows in fall with reliable bright red color.
 2 1/2" 535.00
 3" 635.00

SHADE TREES

OAK, BUR

Quercus macrocarpa

H: 55-75' S: 55-75' Rate: M

Beautiful oak with attractive, corky bark. Dark green leaves turn yellow to yellow-brown in fall.

2 1/2" 550.00

OAK, RED

Quercus rubra

H: 60' S: 45' Rate: M

Beautiful rounded form. Large, glossy green leaves turn maroon-red in fall.

2" 450.00

2 1/2" 550.00

3" 695.00

OAK, SWAMP WHITE

Quercus bicolor

H: 45' S: 45' Rate: S-M

An excellent tree for wet areas that also does well in dry soils. Fall color can vary from yellow to red.

2 1/2" 550.00

3" 695.00

PLANETREE, EXCLAMATION! LONDON

Platanus x acerifolia 'Morton Circle'

H: 55' S: 35' Rate: M-F

Densely branched, uniform tree with strong central leader. Large green leaves turn yellow/brown in fall. Attractive, exfoliating bark, mottled brown, green and tan. Fast grower when young, up to 3' per year. Tolerant of poor soils, pollution and drought.

2 1/2" 535.00

3" 635.00

TULIP TREE

Liriodendron tulipifera

H: 60' S: 30' Rate: F

Fast growing native tree with tulip-shaped yellow-green flowers in early summer. Yellow fall color. Likes a moist well drained soil. Rarely fed on by Japanese Beetle.

2 1/2" 550.00

ORNAMENTAL TREES

AMELANCHIER (Autumn Brilliance Serviceberry) ■

H: 20-25' S: 15' Rate: M

Showy white flowers in early spring and beautiful red to orange fall color. Attractive black striations on mature bark add year round interest. Edible fruit.

5' - 6'	300.00
6' - 7'	395.00
7' - 8'	500.00
8'-10'	595.00
2" - 2 1/2"	475.00

AMELANCHIER (Spring Flurry Serviceberry) ■

H: 35' S: 20' Rate: M

Pure white blooms in spring on this tree form serviceberry. Edible blue fruit in summer. Great orange/red fall color. Habit is upright, oval with a dominant leader.

2" - 2 1/2"	475.00
-------------	--------

BIRCH, DAKOTA PINNACLE

H: 35' S: 10' Rate: M ◆

A new introduction with white bark, columnar spire-like habit. Dark green leaves turn yellow in fall. Adaptable to both dry and moist locations. Tolerant of pollution. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

2"	450.00
2 1/2"	525.00

BIRCH, RIVER

H: 30-40' S: 30' Rate: M-F ◆

Beautiful, peeling, cinnamon-brown bark. Tolerant of wet soils and resistant to Bronze Birch Borer. Multi-stemmed specimens. Ask for our Birch Tree Care handout. Always keep a 2-3" layer of mulch on root system.

SPRING DUG ONLY.

#15(12.4gal,46.78L)	185.00
6' - 8'	295.00
8' - 10'	350.00
10' - 12'	500.00

BIRCH, ROYAL FROST ◆

H: 40' S: 25' Rate: S-M ◆

Purple bronze leaves turn yellow-orange to reddish in fall. Leaves contrast nicely with the white bark. Resistant to Japanese Beetle. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

8-10'	400.00
-------	--------

BIRCH, WHITESPIRE

H: 30-40' S: 25' Rate: M-F ◆

Attractive white bark with graceful branching. This variety is less susceptible to Bronze Birch Borer. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

8'	450.00
----	--------

CHERRY, WEEPING SNOW FOUNTAINS

H: 10-15' S: 12' Rate: S-M

Dwarf weeping cherry with long, pendulous branches covered with white flowers in spring. Fragrant. Spray treatment may help prevent borer problems. Ask for our informational handout.

2"	495.00
----	--------

ORNAMENTAL TREES

- CRABAPPLE, LOLLIPOP** □
Malus 'Lollizam'
H: 8' S: 8' Rate: S
 A neat, tidy form on this dwarf crabapple. Green foliage with a compact habit that resembles a lollipop. White flowers with yellow fruit. Disease resistant.
 #10 (9.0 gal, 34L) 185.00
- CRABAPPLE, PINK PRINCESS** □
H: 8' S: 12' Rate: S
 A pink flowering crab with a dwarf, spreading habit similar to Sargent. Foliage is purplish/red, turning bronze/green. Deep red fruit.
 #10 (9.0 gal, 34L) 185.00

H: 20-25' S: 20-25' Rate: S ◆

Large yellow flowers with a pink blush at the base.

May repeat bloom in summer.

#7 (6.8gal, 25.9L) 150.00

MAPLE, JAPANESE varieties □☒■

This small specimen tree requires well-drained soil and a location that is protected from direct wind.

Selection best in spring.

Bloodgood

H: 12-15' S: 12-15'

Upright tree with red leaves that turn brilliant scarlet in fall.

Retains color well in summer heat. Best in filtered sun.

Crimson Queen

H: 5-10' S: 5-10'

A laceleaf type with crimson-red color that persists in summer, turning scarlet in fall. Cascading branches.

Emperor I

H: 8-10' S: 10-12'

Dark red leaves turn scarlet in fall. Dark red-brown bark.

Holds leaf color in summer. Heat tolerant.

Purple Ghost

H: 8' S: 4-6'

Upright tree leafs out with deep purple leaves with dark veins.

Fall color bright red to orange. Tolerates sun.

Tamukeyama

H: 8-10' S: 10-12'

New foliage is crimson-red changing to bright scarlet.

Laceleaf tree with a weeping habit. Leaves hold color well during heat of the summer.

Varieties are not available in all sizes.

#7 (6.8gal, 25.9L) 185.00

#15 (12.4gal, 46.78L) 350.00

#20 (26.58 gal, 100.67L) 500.00

ORNAMENTAL TREES

MAPLE, KOREAN varieties ☐☒

Acer pseudosieboldianum

A great substitute for Japanese maple in colder climates. Tolerant of wind. Selection is best in spring.

JACK FROST COLLECTION

Hybridized at Iseli nursery, combining the hardiness of the Korean Maple with the beauty of Japanese maple. These maples have been selected to tolerate the dramatic weather shifts in the upper Midwest. Hardy to zone 4.

Artic Jade

H: 15-20' S: 15' Rate: S

Leaves are green, deeply cut that turn orange-red in fall. Upright habit.

Ice Dragon

H: 10' S: 10' Rate: S

Leaves emerge orange in spring, turning green in summer. Fall color yellow, orange and red. Weeping habit.

Northwind

H: 15-20' S: 15-20' Rate: S

Leaves emerge red in spring, turn light green for summer, and orange-scarlet in fall. Upright habit.

PACIFIC RIM COLLECTION

This series developed by Iseli nursery, combining Korean and Japanese Maples. Hardy to zone 5.

First Flame

H: 20' S: 15' Rate: M

Leaves emerge red-orange, turning green with hints of red in summer. Upright habit.

Korean Maple pricing

#6 (5.02 gal, 19L) (Northwind only)	185.00
#15 (12.4gal,46.78L)	425.00

MAPLE, PAPERBARK ☐☒

Acer griseum

H: 20-35' S: 15-20' Rate: S

Beautiful orange-red color late in the fall. As the name implies, bark exfoliates attractively adding to the year-round interest.

Specimens individually priced.

MAPLE, THREE-FLOWERED ☐☒

Acer triflorum

H: 20-30' S: 20-30' Rate: S

Shaggy, peeling bark. Leaves are green in summer turning yellow, orange and red in fall. Needs a well drained soil.

#15 (12.4gal,46.78L)	425.00
----------------------	--------

BUTTERFLY BUSH

Buddleia davidii

H & S: Vary by variety Rate: M

We carry several varieties of this summer-blooming plant with large spiked flowers. Pruning out dead blooms encourages longer flowering time. Prune back plant in spring. Not guaranteed.

#2 (1.6gal, 6.19L) & #3 (2.8gal, 10.44L) 39.98

BUTTONBUSH, SUGAR SHACK

H: 4' S: 4' Rate: S-M

Fragrant white flower spheres appear in summer that attract hummingbirds and butterflies. Red berries. Does well in wet soil.

#3 (2.7gal, 10.21L) 49.00

ORNAMENTAL SHRUBS

CHOKEBERRY, BLACK ☐☒■

H: 3-5' S: 3-5' Rate: M

White flowers in May. Glossy red fall color and black fruit in winter. Tolerant of wet, shady areas.

#5 (3.6gal, 13.74L) & #3 (2.7 gal, 10.21L) 45.00

CHOKEBERRY, LOW SCAPE HEDGER ☐☒■

H: 3-5' S: 2-3' Rate: S-M

Dense, glossy green leaves turn red and orange in fall. White flowers in spring. Can be in wet or dry soil. Makes a nice hedge. Non-suckering. Drought and salt tolerant.

#3 (2.7gal, 10.21L) 45.00

CHOKEBERRY, LOW SCAPE MOUND ☐☒■

H: 18-24" S: 18-24" Rate: S

Dwarf variety with white flowers in spring. Glossy green leaves turn red in fall. Fruit is black. Forms a nice mound.

#3 (2.7gal, 10.21L) 45.00

CLETHRA, RUBY SPICE ☐☒■

H: 3-6' S: 3-4' Rate: S

Bright pink flowers in midsummer that hold their color. Nice yellow fall color on leaves. Likes a moist soil.

#3 (2.7gal, 10.21L) 45.00

CLETHRA, SIXTEEN CANDLES ☐☒■

H: 2-3' S: 3' Rate: S

More compact size. Erect candle-like white flowers. Yellow fall color.

#3 (2.7gal, 10.21L) 45.00

COTONEASTER, CRANBERRY ☐☒

H: 2-3' S: 3-5' Rate: M

Excellent spreading shrub. Glossy green leaves, bright red berries in fall. A nice plant for rock gardens.

#5 (3.6gal, 13.74L) 45.00

COTONEASTER, PEKING ☐☒

H: 8-10' S: 6-8' Rate: M

Pinkish-white flowers in early spring followed by glossy green leaves. An upright grower, excellent for hedging at 4-6' and in shrub borders. Red to yellow fall colors.

#5 (3.6gal, 13.74L) 45.00

4' 55.00

ORNAMENTAL SHRUBS

CURRENT, ALPINE EUROPA

H: 4-6' S: 4-6' Rate: M

Excellent dense plant for low hedges. Glossy green leaves emerge very early in spring. Yellow fall color.

#5 (3.6 gal, 13.34L) 45.00

CURRENT, ALPINE (Green Mound)

Ribes alpinum 'Green Mound'

H: 2-3' S: 2-3' Rate: M

Dwarf variety with dense, mounding habit. Useful in a large grouping or as a very low hedge.

#5 (4.2 gal, 15.8L) 45.00

DEUTZIA, YUKI CHERRY BLOSSOM

H: 1-2' S: 1-2' Rate: M

A low spreading habit, loaded with pink flowers in Spring. Leaves turn burgundy-purple in fall. Prune after flowering if needed.

#3 (2.8 gal, 10.44L) 45.00

DIERVILLA, KODIAK BLACK

H: 3-4' S: 3-4' Rate: M

Dark burgundy-black foliage, especially intense in spring and fall. Bright yellow flowers in summer. Drought tolerant. Deer resistant. Attracts butterflies and hummingbirds.

#3 (2.8 gal, 10.44L) 45.00

DIERVILLA, KODIAK ORANGE

H: 3-4' S: 3-4' Rate: M

New growth is orange, changing to green, and back to bright orange in fall. Yellow flowers in summer. A durable plant, not invasive, tolerant of most soils. Deer resistant. Also does well in dry shade. Attracts butterflies and hummingbirds.

#3 (2.8 gal, 10.44L) 45.00

DIERVILLA, KODIAK RED

H: 3-4' S: 3-4' Rate: M

New growth is burgundy, changing to green with a red edge in summer, and vivid red in fall. Yellow flowers in summer. A durable plant, not invasive, tolerant of most soils. Deer resistant. Also does well in dry shade. Attracts butterflies and hummingbirds.

Viburnum dentatum 'Christom'

H: 5-7' S: 4-6' Rate: M

A new compact form of Arrowwood. White flowers in spring are followed by clusters of rich blue berries.

Adaptable to most soil types. Yellow fall color.

#5 (4.49gal, 17L) 50.00

VIBURNUM, ARROWWOOD ☐☒
CHICAGO LUSTRE

Viburnum dentatum 'Synnestvedt'

H: 8-12' S: 8-12' Rate: M-F

Glossy dark green foliage. Creamy white flowers.

Yellow fall color.

#5 (4.49gal, 17L) 50.00

VIBURNUM, ARROWWOOD ☐☒
RED FEATHER

Viburnum dentatum 'Red Feather

H: 8-10' S: 8-10' Rate: M-F

New growth is red, changing to green in summer. Fall color is maroon. White flowers followed by blue fruit.

4' 79.00

VIBURNUM, BLACKHAW ☐☒
Viburnum prunifolium

H: 12-15' S: 8-12' Rate: S-M

Glossy green leaves turn dark red in fall. Horizontal branching gives an excellent winter effect. Suitable as a small specimen tree.

#5 (4.49gal, 17L) 45.00

6' 375.00

VIBURNUM, BURKWOOD ☐☒
Viburnum x burkwoodii var *American Spice*

H: 6-8' S: 6-8' Rate: S-M

White fragrant flowers, lustrous dark green leaves.

Semi evergreen.

#3 (2.7gal, 10.21L) 50.00

VIBURNUM, CARDINAL CANDY ☐☒
Viburnum dilatatum 'Henneke'

H: 6' S: 5' Rate: M-F

White flowers in spring. Heavy producer of shiny, scarlet red fruit. Need more than one plant for fruit.

#7 (6.8gal, 025.9L) 69.00

ORNAMENTAL SHRUBS

VIBURNUM, JUDDI ☐☒

Viburnum carlesii x bitchiuense

H: 6-8' S: 6-8' Rate: S-M

This Viburnum is valued for the highly fragrant white flowers in spring. Truly outstanding fragrance.

#5 (3.6gal, 13.74L)	60.00
2'	79.00
2 1/2'	95.00
3'	125.00

VIBURNUM, KOREANSPICE ☐☒

Viburnum carlesii

H: 5-6' S: 5-6' Rate: S

The large white flowers are highly valued for their fragrance in spring. Truly remarkable.

2' Limited Quantities	79.00
2 1/2'	95.00

VIBURNUM, KOREANSPICE COMPACT ☐☒

Viburnum carlesii 'Compactum'

H: 3' S: 3' Rate: S

A compact form with fragrant white flowers in spring.

18"-24"	89.00
2 1/2'	135.00

VIBURNUM, LIL' DITTY ☐☒

Viburnum cassinoides 'Lil Ditty'

H: 1-2' S: 1-2' Rate: M

Creamy, fragrant flowers. Fruit changes from green to red to blue/black. Tolerant of wet soils.

#5 (4.49gal, 17L)	50.00
-------------------	-------

VIBURNUM, MARESII ☐☒

V. plicatum var. tomentosum 'Maresii'

H: 6' S: 10-12' Rate: S-M

White flowers in spring combine nicely with the leathery foliage. The horizontal branching on this rounded shrub creates interest in the winter garden.

Limited Quantity

VIBURNUM, MOHICAN ☐☒

Viburnum lentana 'Mohican'

H: 6-8' S: 6-8' Rate: M

Leathery, gray-green leaves with long-lasting purplish fall color. White flowers and black berries produced.

#5 (4.49gal, 17L)	53.00
4'	75.00

VIBURNUM, NANNYBERRY ☐☒■

Viburnum lentago

H: 12-15' S: 8-12' Rate: M

Upright grower with shiny foliage that turns purple-red in fall. White flowers followed by blue-black fruit.

#5 (3.6gal, 13.74L)	45.00
---------------------	-------

ORNAMENTAL SHRUBS

VIBURNUM, SNOWBALL

V. opulus 'Sterile'

H: 10-12' S: 10-12' Rate: M

Large, double white flowers in spring resemble snow balls. Fruitless.

#5 (3.6gal, 13.74L) 49.00

WEIGELA, DARK HORSE

H: 3' S: 3' Rate: M

Pink flowers stand out against dark foliage. The leaves are bronze with lime green venation providing a high contrast when not in bloom.

#3 (2.7gal, 10.21L) 45.00

WEIGELA, MY MONET

H: 12-15" S: 15" Rate: S

A dwarf variety with variegated leaves, reddish-pink flowers.

#2 (1.6gal, 6.19L) 40.00

WEIGELA, SONIC BLOOM PINK

H: 4-5' S: 4-5' Rate: S

Green leaves with hot pink blooms that start in May and continue in waves until frost. Deer resistant. Attracts Hummingbirds.

#5 (3.6gal, 13.74L) & #3 (2.7gal, 10.21L) 55.00

WEIGELA, SONIC BLOOM RED

H: 4-5' S: 4-5' Rate: S

Green leaves with Red blooms that start in May and continue in waves until frost. Attracts Hummingbirds.

#5 (3.6gal, 13.74L) & #3 (2.7gal, 10.21L) 55.00

WEIGELA, WINE & ROSES

H: 4-5' S: 3-5' Rate: S

Incredible, dark burgundy-purple foliage that sets off rosy- pink flowers.

#5 (3.6gal, 13.74L) 45.00

WILLOW, DAPPLED

H: 6-8' S: 6' Rate: M

Attractive shrub displaying salmon-pink stems and buds, then light green leaves mottled with white and pink.

Color is best with regular shearing.

#5 (3.6gal, 13.74L) & #3 (2.7gal, 10.21L) 45.00

WILLOW

DWARF CANYON BLUE ARCTIC LEAF

H: 4-5' S: 3-4' Rate: M

Dwarf shrub with slender purple stems. Dark green foliage with blue tint underneath. Tolerates moist conditions.

#3 (2.7gal, 10.21L) 45.00

ORNAMENTAL SHRUBS

EVERGREENS

ARBORVITAE, WHIPCORD

H: 3-4' S: 3-4' Rate: S

Unusual foliage of long, thick, glossy green tendrils on a mop-head like plant. Changes to bronze in winter.

#3 (2.38gal, 9.02L) 60.00

ARBORVITAE, WINTERGREEN

H: 25' S: 6-10' Rate: M

Hardy, fast growing evergreen. Maintains green color. Great to use as a screen.

6' 275.00

FALSECYPRESS, MOPS

Chamaecyparis pisifera 'Mops'

H: 2-4' S: 2-4' Rate: S

A low-mounding form with brilliant gold, thread-like foliage. Best gold color in full sun.

#3 (2.38gal, 9.02L) 55.00

FALSECYPRESS, SOFT SERVE

Chamaecyparis pisifera 'Soft Serve'

H: 6-10' S: 5-6' Rate: S

Compact, conical habit with graceful, fernlike branches. Leaves are bright green on top, flecked with silver blue on underside.

#3 (2.38gal, 9.02L) 45.00

FIR, DOUGLAS

H: 40-80' S: 12-20' Rate: M

Soft blue-green to green needles. Conical, graceful habit. Not a true Fir.

6' 375.00

HEMLOCK, CANADIAN

Tsuga canadensis

H: 30-40' S: 25-35' Rate: S-M

The feathery texture of this tree lends a graceful appearance. Ideal for shady areas with well-drained soil. Useful as a trimmed hedge. Extremely intolerant of dry soils and windy areas.

6' 350.00

HEMLOCK ARE NOT GUARANTEED

HEMLOCK, GENTSCH WHITE

Tsuga Canadensis 'Gentsch White'

H: 10' S: 10' Rate: S-M

Variegated globose shrub. Creamy white branch tips are intense in fall and winter. Shearing will encourage new white growth.

#3 (2.38gal, 9.02L) 75.00

HEMLOCK ARE NOT GUARANTEED

EVERGREEN

- JUNIPER, ANDORRA COMPACTA**
H: 12-18" S: 4-6' Rate: M-F
Dense foliage, keeps the center full. Bright green foliage turns bronze-purple in winter.
#5 (3.6gal, 13.74L) 49.00
- JUNIPER, BLUE RUG**
H: 3-6" S: 6-8' Rate: M
Blue color gives an excellent contrast to any setting.
#5 (3.6gal, 13.74L) 49.00
- JUNIPER, DAUBS FROSTED**
H: 18-24" S: 4-6' Rate: M
A two-toned effect produced by the new, light golden-yellow growth contrasting with feathery, bluish-green interior foliage.
#5 (4.49gal, 17L) 55.00
- JUNIPER, HETZ COLUMNAR**
H: 10-15' S: 4-6' Rate: M
Upright habit, green foliage. Heavy fruit with maturity.
5' 185.00.
- JUNIPER, MOTHER LODE**
H: 6" S: 4' Rate: M
Bright golden yellow foliage in spring and summer turns Burgundy-plum in winter. Exceptional groundcover.
#1 (2.98 qts, 2.79L) 25.00
- JUNIPER, SEA GREEN**
H: 4-6' S: 6-8' Rate: F
Graceful, arching form with brilliant green foliage.
#5 (3.6gal, 13.74L) 49.00

EVERGREENS

PINE, EMERALD ARROW

Pinus leucodermis 'Emerald Arrow'

H: 20' S: 8-10' Rate: M

Dense, narrow, pyramidal form with dark green needles. New selection of Bosnian Pine. Very hardy.

4-5' Limited Quantity 250.00

PINE, LIMBER (Vanderwolf)

Pinus flexilis 'Vanderwolf's Pyramid'

H: 30-40' S: 15-20' Rate: M

Upright tree with soft, dark bluish-green foliage.

Very tolerant of winter winds. A good choice as a replacement for the Austrian Pine.

5'-6' 285.00

6'-7' 325.00

PINE, MINT TRUFFLE

Pinus leucodermis 'Mint Truffle'

H: 10-12' S: 6-8' Rate: M

A new selection of Bosnian Pine with a dense, broadly pyramidal form. Dark green needles. Develops into a lovely small Pine tree.

3-4' Limited Quantity 225.00

PINE, MUGO SLOWMOUND

H: 4' S: 4-5' Rate: S

True dwarf with dark green needles, compact round habit.

#6 (5.02 gal, 19L) 100.00

PINE, SWISS STONE

Pinus cembra

H: 20-25' S: 10-15' Rate: S

Semi-dwarf evergreen tree with bluish-green needles.

6' 450.00

7' 550.00

PINE, TANNENBAUM

Pinus mugo 'Tannenbaum'

H: 12-15' S: 6-10' Rate: S

Perfectly formed Christmas tree shape. Foliage is rich green with a hint of blue. Adaptable to a wide range of conditions. Very hardy.

6' 585.00

7' 685.00

8' 785.00

PINE, WHITE

Pinus strobus

H: 50-70' S: 20-35' Rate: F

Soft blue-green needles. Not tolerant of salt spray. Native.

6' 425.00

EVERGREENS

SPRUCE, BIRD'S NEST

Picea abies 'Nidiformis'

H: 3-4' S: 3-4' Rate: S

Neat, compact, nest-shaped evergreen. Can be easily maintained at 2'.

#3 (2.38gal, 9.02L) 65.00

SPRUCE, BLACK HILLS

Picea glauca var. *densata*

H: 20-40' S: 10-15' Rate: S

Small to medium height evergreen with dense habit and broad pyramidal form. Good to use as wind break.

6' 425.00

SPRUCE, DWARF ALBERTA

Picea glauca 'Conica'

H: 4-6' S: 3' Rate: S

Slow growing, densely pyramidal form. Plant in locations protected from harsh winds.

#7 (6.8gal, 025.9L) 125.00

SPRUCE, GLOBE BLUE

Picea pungens 'Montgomery'

H: 5' S: 5-6' Rate: S

Compact evergreen with striking blue foliage. Makes a nice accent.

#10 (10.7gal, 40.4L) 260.00

SPRUCE, MEYER

Picea meyeri

H: 30-40' S: 15-20' Rate: S

Does well in full sun, well drained soil. Disease tolerant. Blue green needles. Good substitute for the Colorado spruce.

6' 425.00

EVERGREENS

SPRUCE, NORWAY

Picea abies

H: 60-80' S: 25-30' Rate: M

Bright green foliage on this soft-needled tree. Branch tips weep gracefully on mature specimens.

5'	350.00
6'	425.00
7'	525.00

SPRUCE, NORWAY UPRIGHT

Picea abies 'Cupressina'

H: 15-20' S: 3-4' Rate: S

Narrow upright form. Nice green color.

Limited sizes and quantities

SPRUCE, NORWAY WEEPING

Picea abies 'Pendula'

Height & Spread variable Rate: S

Interesting weeping habit with short green needles.

6'	350.00
----	--------

SPRUCE, PUMILA

Picea abies 'Pumila'

H: 3-4' S: 3-4' Rate: S

Neat, compact, green needle evergreen. Rounded habit when young.

#2 (1.6gal, 6.19L)	45.00
--------------------	-------

SPRUCE, SERBIAN

Picea omorika

H: 40-50' S: 25-30' Rate: S

Narrow, conical habit. Needles are glossy dark green with white stomatic lines underneath.

6'	425.00
7'	525.00

SPRUCE, SHERWOOD COMPACT

Picea abies 'Sherwood Compact'

H: 15' S: 8' Rate: S

Pyramidal specimen tree with short green needles.

#10 (10.7gal,40.4L)	260.00
---------------------	--------

SPRUCE, SILBERBLUE

Picea omorika 'Silberblue'

H: 25' S: 10-12' Rate: S

Classic two-toned needles that are bright silver-blue against a green interior. Likes a rich, well drained soil.

Grows wider at the bottom, sweeping up to a spire at the top.

Limited sizes and quantities

EVERGREENS

YEW

Densiformis (spreading)

H: 4-6' S: 5-7' Rate: M

Lustrous, dark green foliage. Can be maintained in almost any shape and size. Requires well-drained soil. Size measured by width.

Everlow (spreading)

H: 3-4' S: 4-5' Rate: S-M

Low growing spreader with dark green needles. Size measured by width. Available in summer.

Tauntoni (spreading)

H: 3-4' S: 3-4' Rate: S-M

Dark green foliage on this compact spreading form. Very resistant to winter burn. Size measured by width.

Hicks (upright)

H: 4-8' S: 3-5' Rate: M

Lustrous, dark green foliage. Naturally grows in an upright fashion about twice as high as wide. Requires well-drained soil. Size measured by height.

Perennial Garden club Join today

Become a member of our Perennial Garden Club. The membership fee is only \$10. You receive a member card and packet of useful information. Members receive a 10% discount on all perennials, grasses, vines and groundcovers that they purchase for this year. Your discount is in addition to any sales promotions that we may be offering on perennials at the time of your visit.

NOTES

SCHWARZ NURSERY PLANTING CHARGES

Fees for plant installation are as follows:

60% of the cost of each plant
for all plants under \$185.00

30% of the cost of each plant
for all plants \$185.00 or more

This is a **per plant** charge.
Add **delivery charge** for your area.

ADDITIONAL LABOR CHARGE of \$100.00 per 1/2 hour for a 3-man crew

will apply for excess root removal, stump removal
or difficult site access. Additional delivery and
labor charges will apply if Schwarz is not able to
plant due to incomplete third party stump removal.
We will only haul away material we remove..

All plants priced \$450 and over **MUST** be planted
by Schwarz Nursery or the guarantee is void.
