### SCHWARZ NURSERY IS A MEMBER OF:

- Illinois Arborists' Association
- Illinois Landscape Contractors' Association

## **WELCOME TO SCHWARZ NURSERY!**

### **OUR MISSION**

Our mission is to be recognized by our customers for having both the highest quality products and services available.

For all whom we do business with, we will adhere to the highest standards of business conduct.

#### **Advantages of buying from Schwarz:**

- Trained Horticulturists.** Our educated, expert staff includes a certified arborist and several Illinois Certified Nursery Professionals.
- Landscape Architect and Designers.** We can meet all your landscape design requirements.
- Professional Gardening Advice.** Sign up to receive our email newsletter that contains gardening tips and advice as well as information on any sales or events we have during the year.
- Perennial Garden Club.** For a nominal yearly membership charge, perennial plant customers receive exclusive discount purchase bonuses and special mailings. Ask our garden center sales staff for full details.

## SHADE TREES

### ASPEN, QUAKING □

*Populus tremuloides*

H: 50-60'      S: 30'      Rate: F

The small green leaves tremble in a slight breeze for a beautiful effect. Found in moist, shallow, rocky or clay soils. Leaves turn yellow in fall.

2" 395.00

2 1/2" 495.00

### BALDCYPRESS, COMMON □

*Taxodium distichum "Shawnee Brave"*

H: 50-60'      S: 20-30'      Rate: M

Deep sage green foliage on this deciduous evergreen.

Cinnamon exfoliating bark. Water tolerant.

2 - 2 1/2" 495.00

### BEECH,

*Fagus*

**TRICOLOR** □☒

H: 20-30'      S: 15-20'      Rate: S

A striking tree with purple leaves and irregular cream and rose borders. Color maintained best in part shade.

Limited sizes & quantities available

### COFFEETREE, KENTUCKY □

*Gymnocladus dioicus*

H: 60-70'      S: 40-50'      Rate: M

Unique, coarsely-branched shade tree with rounded habit.

Large seed pods are produced. Very hardy.

2"      Limited quantities available 495.00

### COFFEETREE, ESPRESSO KENTUCKY □

*Gymnocladus dioicus 'Espresso'*

H: 50'      S: 35'      Rate: S-M

Seedless variety with doubly compound leaves give this tree a tropical feel. Bluish-green leaves turn yellow in fall. Heat and drought tolerant.

2" 495.00

### ELM, FRONTIER □

*Ulmus 'Frontier'*

H: 40'      S: 30'      Rate: S-M

Fall color is reddish/purple to burgundy, long lasting.

Vase shaped to oval. Glossy green in summer.

Tolerant to Dutch Elm disease.

2 1/2" 495.00

### GINKGO □

H: 40-50'      S: 35-50'      Rate: S

Unique, fan-shaped leaves turn golden yellow in fall. This upright, non-fruiting strain becomes broad with age.

2 1/2" 595.00

## SHADE TREES

- HONEYLOCUST, SKYLINE** □  
*Gleditsia tricanthos* 'Skycole'  
*H: 40-50' S: 35-40' Rate: F*  
 This rapid-growing, thornless, seedless tree is ideal where filtered shade is desired. Bright yellow fall color.  
 Adaptable to most soils.  
 2 1/2" 535.00  
 3" 635.00
- HORSECHESTNUT, RED** □  
*Aesculus x carnea* 'Fort McNair'  
*H: 25-30' S: 30' Rate: S-M*  
 In May, the showy dark pink flowers that are produced are 6-8".  
 #25 container 525.00
- LINDEN, GREENSPIRE LITTLELEAF** □  
*Tilia cordata* 'Greenspire'  
*H: 30-40' S: 30-35' Rate: S-M*  
 Symmetrical branching with a narrow, pyramidal to oval form. Dark green leaves turn a nice yellow in fall.  
 2 1/2" 535.00
- MAPLE, ARMSTRONG** □  
*Acer rubrum* 'Armstrong'  
*H: 45' S: 15' Rate: M-F*  
 A fast growing, columnar selection. A very tall, narrow tree with ascending branches. Widely used for street planting with limited space. Light green leaves in summer, yellow to orange/red in fall.  
 2 1/2" 535.00
- MAPLE, AUTUMN BLAZE** □  
*Acer x freemanii* 'Jeffersred'  
*H: 50-60' S: 40' Rate: M-F*  
 Hybrid of Silver & Red Maple. This is a fast-growing Maple that is drought tolerant and will grow in most soils. Fall color is yellow to orange-red.  
 #15 container 185.00  
 2 - 2 1/2" 535.00  
 3" 650.00  
 3 1/2" 795.00
- MAPLE, CELEBRATION** □  
*Acer x freemanii* 'Celzam'  
*H: 50' S: 35' Rate: M-F*  
 Deeply cut green leaves turn yellow to orange in fall. Strong branching resists storm damage. Tolerant of most soils. Essentially seedless.  
 3" 695.00
- MAPLE, CRIMSON KING** □  
*Acer platanoides* 'Crimson King'  
*H: 30-40' S: 35' Rate: S*  
 Popular, slow-growing tree with deep red-maroon leaves through the growing season. Intolerant of wet soils.  
 #15 185.00  
 #25 495.00

# SHADE TREES

## MAPLE, CRIMSON SUNSET □

*Acer truncatum x A. platanoides*

H: 35'                      S: 25'                      Rate: S

Upright oval habit. Deep purple/red foliage turns maroon to reddish bronze in fall. Does well in summer heat.

2 1/2" 575.00

## MAPLE, MARMO □

*Acer x freemanii 'Marmo'*

H: 70'                      S: 35'                      Rate: M

A selection from the Morton Arboretum. Uniform upright habit. Fall color is mottled red and green to burgundy and yellow. Adapts to heavy clay soil.

2 1/2" 535.00

3" 635.00

## MAPLE, REDPOINTE □

*Acer rubrum 'Frank Jr.'*

H: 45'                      S: 35'                      Rate: M ◆

Upright, broadly pyramidal form. Strong dominant leader. This fast growing variety has beautiful red fall color.

1 1/2" - 2" 395.00

2 1/2" 535.00

3" 650.00

3 1/2" 795.00

## MAPLE, STATE STREET □

*Acer miyabei 'Morton'*

H: 45-50'                      S: 25-35'                      Rate: S-M

A Morton Arboretum introduction. A smaller growing maple that is tolerant of heat, drought, salt and pollution. Fall color is yellow.

2 1/2" 535.00

## MAPLE, SUGAR □

*Acer saccharum*

H: 50'                      S: 35-40'                      Rate: S-M

This stately maple has brilliant hues of yellow and orange in fall. Slow-growing and long-lived.

2" 450.00

2 1/2" 550.00

3" 695.00

## MAPLE, SUN VALLEY □

*Acer rubrum 'Sun Valley'*

H: 40'                      S: 35'                      Rate: S-M

A **seedless** variety that is a hybrid between Red Sunset and Autumn Flame maple. Glows in fall with reliable bright red color.

#15 container 185.00

2 1/2" 550.00

3" 695.00

# SHADE TREES

## OAK, BUR

### *Quercus macrocarpa*

H: 55-75' S: 55-75' Rate: M-F

Beautiful oak with attractive, corky bark. Dark green leaves turn yellow to yellow-brown in fall.

2 1/2" 575.00  
3" 750.00

## OAK, RED

### *Quercus rubra*

H: 60' S: 45' Rate: M-F

Beautiful rounded form. Large, glossy green leaves turn maroon-red in fall.

2 1/2" 575.00  
3" 750.00

## OAK, SWAMP WHITE

### *Quercus bicolor*

H: 45' S: 45' Rate: S-M

An excellent tree for wet areas that also does well in dry soils. Fall color can vary from yellow to red.

2 1/2" 575.00

## PLANETREE, EXCLAMATION! LONDON

### *Platanus x acerifolia 'Morton Circle'*

H: 55' S: 35' Rate: M-F

Densely branched, uniform tree with strong central leader. Large green leaves turn yellow/brown in fall. Attractive, exfoliating bark, mottled brown, green and tan. Fast grower when young, up to 3' per year. Tolerant of poor soils, pollution and drought.

2 1/2" 535.00

## TULIP TREE

### *Liriodendron tulipifera*

H: 60' S: 30' Rate: F

Fast growing native tree with tulip-shaped yellow-green flowers in early summer. Yellow fall color. Likes a moist well drained soil. Rarely fed on by Japanese Beetle.

2" 495.00  
2 1/2" 585.00

## ZELKOVA, GREEN VASE

### *Zelkova serrata 'Green Vase'*

H: 60-70' S: 40-50' Rate: M

A vigorous grower with a vase-shape habit. Tolerates city conditions. Good disease and insect resistance.

Green leaves turn bronze in fall.

1 3/4 -2" 450.00

Schwarz Nursery will try to hold prices constant throughout the year; prices, however, are subject to change without notice.

# ORNAMENTAL TREES

## AMELANCHIER (Autumn Brilliance Serviceberry) ■

H: 20-25' S: 15' Rate: M

Showy white flowers in early spring and beautiful red to orange fall color. Attractive black striations on mature bark add year round interest. Edible fruit.

5' container multi stem 185.00

5' - 6' 300.00

6' heavy 395.00

7' - 8' 500.00

#25 container single stem 275.00

2" - 2 1/2" 475.00

## BIRCH, DAKOTA PINNACLE ■

H: 35' S: 10' Rate: M

A new introduction with white bark, columnar spire-like habit. Dark green leaves turn yellow in fall. Adaptable to both dry and moist locations. Tolerant of pollution. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

#15 container 185.00

2" 495.00

2 1/2" 550.00

## BIRCH, RIVER ■

H: 30-40' S: 30' Rate: M-F

Beautiful, peeling, cinnamon-brown bark. Tolerant of wet soils and resistant to Bronze Birch Borer. Multi-stemmed specimens. Ask for our Birch Tree Care handout.

Always keep a 2-3" layer of mulch on root system.

**SPRING DUG ONLY.**

7-8' 350.00

10' 450.00

12' 550.00

## BIRCH, ROYAL FROST ■

H: 40' S: 25' Rate: S-M

Purple bronze leaves turn yellow-orange to reddish in fall.

Leaves contrast nicely with the white bark. Resistant to Japanese Beetle. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

#15 container 250.00

8-10' 400.00

## BIRCH, WHITESPIRE ■

H: 30-40' S: 25' Rate: M-F

Attractive white bark with graceful branching. This variety is less susceptible to Bronze Birch Borer. Always keep a 2-3" layer of mulch on root system. **SPRING DUG ONLY.**

8' 450.00

## CHERRY, KWANZAN ■

H: 20-25' S: 15-20' Rate: M

Large, double pink blooms in spring are very showy.

Leaves emerge bronze red changing to green. An upright vase shape. No fruit. This is one of the varieties you see in Washington D.C.

#15 container 195.00

## ORNAMENTAL TREES

- CHERRY, WEeping PINK SNOW SHOWERS** □  
*H: 25' S: 20' Rate: S-M*  
 Weeping cherry with long, pendulous branches covered with pink flowers in spring. Fragrant. Spray treatment may help prevent borer problems. Ask for our informational handout.

*H: 10-20' S: 3-4' Rate: M*  
 Narrow, pyramidal form with bright green leaves. Trim to  
 maintain size.  
 5' 185.00  
 6' 275.00  
 7' 350.00
- ARBORVITAE, FILIPS MAGIC MOMENT**    
*H: 6-8' S: 2-3' Rate: S*  
 Compact, upright habit with gold foliage.  
 #2 45.00

# EVERGREENS

## ARBORVITAE – UPRIGHT VARIETIES

### ARBORVITAE, GREEN GIANT

*H: 25-30' S: 8-10' Rate: F*

A fast growing evergreen useful as a screen or hedge. Does well in full sun and well drained soil, but will also do well in a part shade situation.

5'	250.00
6'	285.00
7'	350.00

### ARBORVITAE, HOLMSTRUP

*H: 4-8' S: 3' Rate: S*

Slow-growing dwarf, upright form with bright green foliage.

#5	60.00
#6	90.00

### ARBORVITAE, NIGRA—Dark Green

*H: 20-30' S: 5-10' Rate: S-M*

Upright evergreen, works well as a screen.

5'	250.00
6'	285.00
7'	350.00

### ARBORVITAE, NORTH POLE

*H: 10-15' S: 3-5' Rate: S-M*

A hardy selection of 'Wintergreen', with dark green foliage. Good resistance to winter burn.

#7	95.00
----	-------

### ARBORVITAE, PRIMO

*H: 4' S: 1-2' Rate: S*

Rich, deep green summer color. Compact habit with a naturally sculpted shape. Narrow and upright.

#3	75.00
----	-------

### ARBORVITAE, TECHNITO

*H: 6-8' S: 2-3' Rate: S*

A dwarf Techny with compact pyramidal habit.

4'	Limited Quantities	200.00
----	--------------------	--------

### ARBORVITAE, TECHNY (Mission)

*H: 10-15' S: 5-8' Rate: S-M*

Wide pyramidal form, excellent for screening and hedging. Can be maintained as low as 4-5'.

5'	250.00
5 1/2'	300.00
6'	350.00
6 1/2'	400.00
7'	450.00

# EVERGREENS

## ARBORVITAE – UPRIGHT VARIETIES

### ARBORVITAE, WINTERGREEN

H: 25' S: 6-10' Rate: M-F

Hardy, fast growing evergreen. Maintains green color.  
Great to use as a screen.

6' 285.00

### ARBORVITAE, YELLOW RIBBON

H: 8-10' S: 3-4' Rate: M

Golden yellow foliage all year long. Plant in full sun for  
best color. Upright habit.

5-6' 250.00

### FALSECYPRESS, MOPS

*Chamaecyparis pisifera* 'Mops'

H: 2-4' S: 2-4' Rate: S

A low-mounding form with brilliant gold, thread-like  
foliage. Best gold color in full sun.

#3 55.00

### FIR, DOUGLAS

H: 40-80' S: 12-20' Rate: M

Soft blue-green to green needles. Conical, graceful  
habit. Not a true Fir.

5' 350.00

### HEMLOCK, CANADIAN

*Tsuga canadensis*

H: 30-40' S: 25-35' Rate: S-M

The feathery texture of this tree lends a graceful  
appearance. Ideal for shady areas with well-drained  
soil. Useful as a trimmed hedge. Extremely intolerant of  
dry soils and windy areas.

LIMITED QUANTITIES AVAILABLE

HEMLOCK ARE NOT GUARANTEED

### HEMLOCK, GENTSCH WHITE

*Tsuga Canadensis* 'Gentsch White'

H: 10' S: 10' Rate: S-M

Variegated globose shrub. Creamy white branch tips  
are intense in fall and winter. Shearing will encourage new  
white growth.

#3 80.00

HEMLOCK ARE NOT GUARANTEED

## Perennial Garden club Join today

Become a member of our Perennial Garden Club. The membership fee is only \$10. You receive a member card and packet of useful information. Members receive a 10% discount on all perennials, grasses, vines and groundcovers that they purchase for this year. Your discount is in addition to any sales promotions that we may be offering on perennials at the time of your visit.

# NOTES

# SCHWARZ NURSERY PLANTING CHARGES

Fees for plant installation are as follows:

**60%** of the cost of each plant  
for all plants under \$250.00

**40%** of the cost of each plant  
for all plants \$250.00 or more

This is a **per plant** charge.  
Add **delivery charge** for your area.

\*\*\*\*\*

## ADDITIONAL LABOR CHARGE of

**\$100.00 per 1/2 hour for a 3-man crew**

will apply for excess root removal, stump removal or difficult site access. Additional delivery and labor charges will apply if Schwarz is not able to plant due to incomplete third party stump removal. We will only haul away material we remove..

\*\*\*\*\*

All plants priced \$450 and over **MUST** be planted by Schwarz Nursery or the guarantee is void.
